

Social Justice Ministry

“If someone who has worldly means sees a brother in need and refuses him compassion, how can the love of God remain in him?”

1 John 3:17

Catholic Social Teaching reminds us we are interconnected and that even our social, political, and economic institutions have a deep effect on people's lives. The Social Justice Ministry works with the rest of the parish to help us see and listen to our brother or sister in need. We do this through education (studying how loving our neighbor plays out in our social institutions), through advocacy (working for the poor and vulnerable in the political arena), and through direct action (organizing food drives, clothing collections, and supporting refugees and the rice bowl).

If you would like to join the Social Justice Ministry watch the bulletin for meeting times; usually the first or second Thursday of the month. Or call Francy Bose, 332-5114.
