Important Info for CAMPERS

- **Each day** please make sure your camper is prepared: clothing for indoor and outdoor fun, sun screen, water bottle & a sack lunch (all-day campers ONLY).
- **Snacks are provided.** If your child has life-threatening allergies you must provide a snack for them each day (regardless of what the group snack is).
- **Each day** please be sure to check your camper IN and OUT at the registration table! Campers must be checked out by an adult, please let registration table know if someone other than parent/guardian will pick them up.
- **Special mid-week events** will be announced via email.

Please do not request we place certain campers in the same group unless there is a medical reason. Campers are assigned to small groups; those groups always do their activities with the other groups of the same grade. It is set up so your child can make new friends and have those they already know close by.

Campers cannot be left on-site before 8:45am; all campers must be picked up by 3:05pm; if camper is being picked up by someone other than parent/guardian permission form must be completed.
